# S. I. N. U. Calendar--

FRIDAY, OCTOBER 26, and SATURDAY, OCTOBER 27.  
S. I. N. U. HOMECOMING--See page three for complete calendar.

## MONDAY, OCTOBER 21

3:45 P. M.--Zeta Sigma Phi--First Floor Main.  
7:30 P. M.--Rural Life Club--Main Building.  
7:30 P. M.--Debate Club--Room 101 Main.

## TUESDAY, NOVEMBER 1

3:45 A. M.--"C" Club--Men's Gym.  
7:15 P. M.--Y. M. C. A.--Old Science Building.  
7:15 P. M.--Y. W. C. A.--Old Science Building.  
7:30 P. M.--A. A. U. P.--Little Theatre.  
7:30 P. M.--Delta Rho--Main Building.  
8:00 P. M.--Barn Dance--Old Science Gym.

## WEDNESDAY, NOVEMBER 2

4:00 P. M.--Sigma Pi Rho--Y. W. Room, Old Science Building.  
7:00 P. M.--Chemika--Chemistry Building.  
7:50 P. M.--Radio Club--Parkinson Laboratory.  
7:30 P. M.--Socratic Literary Society--Little Theatre.

## THURSDAY, NOVEMBER 3

8:35 A. M.--Chemistry Seminar--Room 293, Chemistry Building.  
9:30 A. M.--Camera Club--Old Science Building.  
7:30 P. M.--Agricultural Club--Allyn Hall.  
7:30 P. M.--Evangelical and Reform Club--Y. W. Room, Old Science Building.  
7:30 P. M.--Zoology Seminar--Zoology Lecture Room.  
7:30 P. M.--Commerce Club--Little Theatre.

## News Hi-Lites In Brief--

**NEWS--HOMECOMING FESTIVITIES** begin today. "FIRST LADY" to be presented tonight. NEW S. I. N. U. STADIUM TO BE DEDICATED at football game tomorrow. . . . banquets, luncheons, open houses, entertainments, receptions crowd Homecoming calendar. . . . JIMMY DORSEY WILL PLAY at the Homecoming dance tomorrow night, at which THE SOUTHERN QUEEN WILL BE CROWNED. . . . new symbol of the University of Little Egypt to be unveiled. . . . house decoration awards will be announced at SOUTHERN-NORMAL FOOTBALL GAME tomorrow. . . . PULLIAM SAYS ACTION WILL BE TAKEN TOWARD SECURING SWIMMING POOL if Homecoming receipts total \$300. . . . WILFRID LAURIER HUSBAND speaks here on Sweden just as the local co-operative student HOUSING MOVEMENT gains momentum. . . . SIXTEEN BANDS will play here tomorrow. . . . CHILD GUIDANCE CLINIC ends. . . . MOSELEY elected president of sophomore class. . . . DEBATORS CLASH on question of government aid to business. . . . SOUTHERN MARCHES ON!

**FEATURES--Homecomers** receive greetings from HAWAII. . . . Barber says S. I. N. U. needs a new girls' dormitory. . . . Carver reviews last TWO YEARS OF SOUTHERN'S RAPID GROWTH. . . . many more features. . . .

**SPORTS--S. I. N. U. MEETS NORMAL** tomorrow. Women variety will oppose ALBANY in Homecoming HOCKEY game. . . . outstanding players discovered in TENNIS tourney here. . . . VOLLEYBALL, GOLF and GYM TEAM news. . . .

## Milestone in Southern History

The year 1938 marks another step in the steady and consistent growth of Southern Illinois State Normal University. Although the phenomenal increase in enrollment to approximately 1880 this year necessitates a corresponding increase in buildings and facilities, we have every reason to be proud of our school which has made such notable advances in rating, faculty, and student body. The most recent addition, of course, is the new, modern stadium to be dedicated by Governor Horner. We have hopes that the erection of a swimming pool will soon follow.

Southern Illinois State Normal University was founded in 1869 following an act of the General Assembly providing for its organization. The one original building was destroyed by fire in 1883, and was replaced in 1885 by our present Main Building through an appropriation of \$152,065. The Science Building was erected in 1895 following an appropriation of \$40,000, and the Wheeler Library was added in 1903. In 1913 when the enrollment of the Normal plus that of the third and fourth years of high school was 482, \$75,000 was voted to provide for the building of Anthony Hall.

It is interesting to note the phenomenal growth in enrollment that has been made since the World War. In 1918, 482 was the figure, while 1937 shows an enrollment of 1519, and 1938, 1880.

Southern started as a two-year normal school with a third class rating. When the first regular session opened in 1874, the only entrance requirement was graduation from the eighth grade. Through the years the requirements were gradually raised until high school graduation was required. In 1913 Southern obtained recognition by the North Central Association as a teacher training institution, and in 1931 it was transferred to the fully accredited list of Colleges and Universities.

We may view the progress our school has made in the past 64 years with pride. We are enjoying the advances and improvements made possible for us by past generations, but the story does not end here. Our history is one of steady progress, and it must continue as such. Future decades will see Southern expanding to meet the ever increasing number of youths who turn to it for an education. New, modern buildings will be erected, laboratory facilities, faculty, athletic equipment, library and museum space; all augmented and improved.

We are a part of a growing institution whose optimism is not to be reached for many years. We may watch its future progress with interest and satisfaction at having been a part in that advance.--Alice Chroissier.

## STADIUM WILL BE DEDICATED TOMORROW

### HUNTER TO HELP DEDICATE NEW STADIUM

Many Celebrities at Dedication Here Tomorrow

Freshmen Bullfight boards have been set up in both the men's and women's gyms. All freshmen announcements will appear on these boards and all freshmen will be expected to watch them.

MRS. BOWYER.

### DEDICATION OF NEW S. I. N. U. STADIUM; PRESENTATION OF KAUFMAN'S FIRST LADY FOOTBALL GAME, DANCE MUSIC BY DORSEY ARE HIGH POINTS OF HOMECOMING

ALL ORGANIZATIONS PLAN FESTIVITIES FOR RETURNING ALUMNI

The most spectacular Homecoming which Southern has ever known can today with the arrival of alumni from all parts of the country. The gala two-day Homecoming celebration is the gayest of the college year and from all indications this will be the most festive S. I. N. U. has ever known, with almost every campus organization giving a banquet, luncheon, or holding open house. Tomorrow alumni will witness the Homecoming play, together with the presentation of the queen and her court; this will be followed by the banquet at which freshmen students will take the oath of allegiance to Southern.

The tomorrow's program is the Normal-Southern football game, at which W. P. A. Administrator Howard O. Hunter will make an address, and fifteen bands will give a massed demonstration. The climax of the festivities will be reached when the Homecoming queen is presented at the dance, Saturday night, at which the Jimmy Dorsey band will play. School spirit among the students has reached a new high, and advance ticket sales indicate that there will be more people at Homecoming than the college will be able to accommodate.

#### "First Lady"

Festivities will open tonight at the Homecoming play, "First Lady," by George S. Kaufman, directed by Mrs. Dorothy Magnus, of the S. I. N. U. English department, and starring Eva Jane Miller and Fred Meyer. At the play the Homecoming queen and her court will be presented, but the queen's identity will not be revealed. After the play, freshmen will burn the green apparel which they have been wearing since the first of September. At this time, President Roscoe Pulliam will administer to them the Epeneic Oath of loyalty to the college.

#### Luncheons

Saturday morning's program is full of events: breakfasts, luncheons and a meeting of the Commerce Club, Mr. T. P. Socratic Literary Society, Delta Rho (gym team), Chi Delta (Ch. Chemika), Kappa Delta Alpha, Kappa Phi Kappa, Sigma Pi Rho, and others.

#### Dedication

On Saturday afternoon at 1:45 o'clock, the stadium dedication program will begin. Governor Henry Horner and Mr. Howard O. Hunter, assistant administrator of W. P. A., will speak, and President Roscoe Pulliam will introduce distinguished guests. The Southern Illinois Normal football game will begin at 2:00 p. m., and will mark the climax of the S. I. N. U. football season. At the game there will be a massed band demonstration of more than seven hundred musicians, directed by Mr. Wendell Moseley, conductor of the college band, as well as presentation of Homecoming queens of former years, the unveiling of the new Southern emblem, the nature of which is still a mystery, and the awarding of traveling cups for house decorations.

After the game will be the faculty and Socratic Tea Dances and the Chi Delta Chi, Sigma Sigma Sigma, Gamma Theta Upsilon, Delta Sigma Epsilon, and Newman Club banquets, the Evangelical Club tea, and other events.

#### Dance

The Homecoming dance, at which the Homecoming queen will be presented, will be Saturday night, when the long-promised Jimmy Dorsey's band will play. At the same time, the Dunbar Society will be holding its dance. Eddie Johnson's N. B. C. band playing; the Dunbar Society queen will be presented at this time.

### Pulliam Gives Official O. K. to Plans For a Swimming Pool; Says Administration Will Take Action If \$4300 Is Cleared on Homecoming

If Homecoming Is Successful, Attempt Will Be Made to Secure Approval of Works Progress Administration and Normal Board

Appearing as one of the principal speakers at the Stadium Dedication Ceremony Saturday afternoon is Mr. Howard O. Hunter, assistant administrator in the thirteen middle-western states of the Works Progress Administration.

After three years of planning, man and hard work, the stadium stands as a monument to the three who met here the Works Progress Administration, Roscoe Pulliam, Coach William McAndrew, and Business Manager Edward V. Miles.

Other important guests of the college for the ceremony include President R. W. Fairchild of Normal; Mr. Claude B. Vick, Assistant State Superintendent of Public Instruction; Mr. and Mrs. Otto G. Belch, members of the Normal School Board; State Representative Joseph H. Davis; Mr. John Barr Foster, Mr. Raymond H. Lyndie, and Mr. Tim Kirk of the Works Progress Administration; Mr. H. W. Bear, president of the Southern Division of the Illinois Education Association; and Judge Fred L. Wham of Centerville.

The first steps toward the construction of a stadium were made by Carbonale, business men, and faculty organizations, alumni, and faculty. Their contributions amounted to approximately one-tenth of the total cost, of \$113,117. \$6,350 of the expense was met by college tuition funds, and the remainder \$87,435.10 was supplied by the Works Progress Administration in the form of outright grants and N. Y. A. student help.

### JIMMY DORSEY'S ORCHESTRA TO PLAY FOR DANCE

Famous MBS and CBS Band Will Play For Greatest Homecoming

Jimmy Dorsey and his famous Mutual Network broadcasting orchestra will play for the Homecoming dance tomorrow night in the New Gymnasium at 9 o'clock.

Following an engagement at the Congress Hotel in Chicago, Jimmy Dorsey and his orchestra invaded the "night-life" team of New York. The welcome accorded him at his opening in the Terrace Room of the Barker Hotel was a tribute to his highlights of the entertainment season. . . . Sweet, swifly arrangements, drummer Ray McKinley's novelty singing, the exciting baritone of Bob Eberle and Jimmy's own "kivving out" on his favorite instrument, the tenor saxophone, were the beautiful highlights. . . . Jimmy with years of musical experience behind him and always a keen judge of the dance trends, followed by the addicts, was one of the first maestros to realize that swing was on the march. . . . Hardly a month after his musical life, he found himself deluged with requests for his appearance as guest artist at the masquerade. . . .

(Continued on Page Six)

"The college administration," declared President Roscoe Pulliam in an interview with THE EGYPTIAN reporter, "should take action soon after Homecoming to secure governmental approval for the construction of a swimming pool on this campus, provided that Homecoming profits are sufficient to begin such construction." Several days ago, President Pulliam stated that it would be necessary to clear \$5000 on Homecoming activities before the swimming pool could be considered, but Tuesday, after conferring with Business Manager Edward V. Miles, he revised the estimate, announcing that a net Homecoming profit of \$4300 would be sufficient to enable the college administration to begin official negotiations calculated to result in the construction of a new swimming pool on the S. I. N. U. campus.

Expenditures which must be met by Homecoming receipts include the last payment which is to be made on the new stadium, \$1000 dance expenses, and about \$500 for advertising, materials, etc., making an expense total of \$2500. In order to make a net profit of \$4300 it is necessary that Homecoming receipts total at least \$3000. Many student and faculty Homecoming officials, including Mr. Hal Hall, who predicts that more than 1000 couples will attend the dance tomorrow night, are of the opinion that total receipts from the football game, play, dance, concessions and other Homecoming activities will exceed \$5000.

After the necessary money has been secured, the college administration must get the State Normal Board to approve the plans for a swimming pool, make arrangements with the National Works Progress Administration to help finance the project--and then the way will be cleared to begin actual construction.

In the same interview, asked what

### UNITED STATES NAVY BAND PLAYS HERE AT SHRYOCK AUDITORIUM

Wednesday afternoon and evening the United States Navy Band played two concerts on the S. I. N. U. campus, playing one number, composed by the director, Lieutenant Charles Denton, especially in honor of Navy Day. Southern Band Director Pat Margrave led the navy band in one selection, "The Stars and Stripes Forever," at the special invitation of Lieutenant Denton. The two concerts, both of which were concluded with the playing of "The Star Spangled Banner" were attended by appreciative audiences.

he considered the most pressing large-scale building need of the college, Mr. Pulliam replied that "for the last few years, the most conspicuous need of this college has been an adequate training school building on a larger campus." He also stated that the proposed museum-library building rates a close second in importance. The need for these buildings has been further aggravated by the sharp increase (25 percent) in enrollment this term.

S. I. N. U. is now one of the two largest teachers' colleges in Illinois, and one of the eight largest teachers' colleges in the United States.

### MOSELEY HEADS SOPHOMORES FOR YEAR 1938-39

J. L. Whitlock is Vice-President; Gene Rogers, Secretary

Morris P. Moseley, Metropolis, was chosen by the members of the sophomore class in their general election Thursday morning, October 20, to head the class for the ensuing year. James L. Whitlock, Harrisburg, was elected vice-president, and Gene Rogers, Metropolis, was chosen secretary-treasurer.

The election was held during chapel hour in the Shryock Auditorium under the direction of Mr. T. R. Ragdale, of the education department, who is sponsor of the class. He was assisted by Mr. J. I. Wright of the history department, and Mr. F. C. Warren, of the education department.

Moseley is a new editor of the Egyptian, sophomore editor of the Obelisk, and a member of the Socratic Literary Society, French Club, Commerce Club, Y. M. C. A., "C" Club, Pan American Forum, and the Southern Knights.

Dr. Louis W. Gellermann of the S. I. N. U. education department addressed the combined Parent-Teacher Association of Cairo on Tuesday night. His topic was "Education for Wholesome Living."

### SIXTEEN BANDS TO PLAY AT FOOTBALL GAME

700 Ill. Musicians Guests of S. I. N. U. For Dedication

More than 700 southern Illinois musicians, members of sixteen bands, will play and maneuver at the S. I. N. U. Homecoming football game tomorrow, afternoon. The marching will be the most spectacular feat to be seen of any college camp, involving the formation of words and symbols which will be so immense as to cover the entire Southern football field.

The custom of inviting bands to play at the Homecoming football game was inaugurated two years ago at S. I. N. U. According to authorities, no other school has staged such a pageantry of rhythm and color.

Last year seven bands from southern Illinois high schools, led by S. I. N. U. bandmen, paraded and maneuvered at the game. This year the number has been increased to fourteen. In addition to the high school bands, the S. I. N. U. band will play, and Old Normal is also bringing its band down to the game.

Before the game, the massed bands will march from the corner of Illinois and Main at noon, reaching the Stadium in time for the dedication ceremonies.

Wendell Margrave, S. I. N. U. band director, is in charge of all arrangements. He has extended invitations to the following bands and their directors, who will arrive Saturday morning on campus, and will be met by hosts and hostesses of Southern's band:

School	Director
Carbonale Community High	Don Carburn
Marion	Don Carburn
Packneyville	L. W. Glover
Don Quoin	Alfred Alwood
Christopher	Carl Klefer
Anna	Gerald Daniel
Merphylboro	Howard Thrallkill
Donopolis	Woodrow Maloney
Uni. High, Carbonale	C. Patterson
Edwards	L. B. Faust
Beaton	Robert H. Simpson
West Frankfort	Ed W. Pashedig
Zeigler	Georg E. Casper
Harrisburg	

#### BULLETIN

**ALL-FRESHMAN DANCE.**  
Next Thursday morning during the chapel period, the first of a series of freshman dances will be held in the Little Theatre Auditorium. Many new jazz records have been purchased for these dances which will be held every Thursday dance period unless otherwise announced. All freshmen are welcome.

# SOUTHERN PROGRESSES RAPIDLY IN SHORT TIME SAYS FEATURE WRITER; ENROLLMENT, FACULTY INCREASE; NEW SERVICES ADDED TO CAMPUS, PROGRAMS

By DOT CARVER.

Southern Illinois Normal University, widely recognized as one of the most outstanding teachers' colleges in the United States, since the inauguration of President R. Pulliam in 1935, has also become one of the most rapidly growing and progressing ones. Serving as it does not only two million southern Illinoisans, S. I. N. U. has students from states as far distant as New York, North Carolina, Mississippi, and Wisconsin. Located in the heart of the United States, it abounds in opportunity.

Most outstanding of the many Southern advancements during the past year is probably the increase in enrollment and faculty. The student body has increased from 1923 to 1937 to 1938. Eleven new positions have been added to the faculty, greatly increasing the number of degrees held by faculty members.

Perhaps the most noticeable of S. I. N. U.'s progress during the past year is the brand-new, proudly new-sided Stadium, secured through the cooperation of Southern's alumni and W. P. A. funds. Reputedly the finest of any stadium in Southern Illinois, it is completely equipped for sports activities, and seats 6,000. Its dedication will be one of the highlights of an all-highlighted Homecoming weekend at S. I. N. U.

The spirit of Homecoming itself is indicative of the progress Southern is making. Never in the history of the school has there been so much keen rivalry, as in the preparation for Homecoming 1938. A fine orchestra has been secured for the game, the football team is working its hardest for a victory in tomorrow's game. Pennants have been sold, souvenir booklets have been prepared. Houses will hold openhouses for returning alumni and friends, and the annual Homecoming celebration has been planned for Friday night: a much-fought-over Homecoming Queen election has finally been decided; houses are planning elaborate decorations; every plan has been done to make Homecoming, 1938, the best Southern has ever known. It is a real return of school spirit.

Not only is S. I. N. U. growing in school spirit of the type that makes possible such a homecoming celebration, but it is also growing in the type of school spirit that does things for permanency. Noticeable to alumni returning is the landscaping that has been done on the campus by student workers. Of particular credit to Southern is the achievement of securing improved sidewalks, not only for the campus, but for the city of Carbondale, as well. And if S. I. N. U. is having an effect on Carbondale, so is Carbondale having an effect on S. I. N. U. The Women's Club Forums are using speakers chosen from the faculty; they are also importing speakers, holding their meetings, inviting students to be present. The Rotary Club has also scheduled an impressive array of speakers for the year. Of the faculty, Dr. R. D. Bowen has introduced an Adult Education Forum which is receiving widespread attention from education leaders, and an unusually fine program of entertainment has been formulated for students, including such men as General Smedley Butler, and such musical organizations as the United States Navy Band.

Not only socially, but physically, politically and economically, Southern is doing much for its students. S. I. N. U. has now extended her health service to include emergency medical care; her examinations of students is complete. A new co-operative house, in which thirty boys are enrolled, has been located on the campus, and is being watched with interest, pending the introduction of other similar establishments. Another house, Harwood Hall, is also on the cooperative plan, and houses sixteen boys. The library has recently been relocated, and the museum has been expanded to its utmost. The library budget was doubled for purchasing of books.

Academically, S. I. N. U. offers much; in addition, her teachers work with students on a basis of class, furthering ability and opportunity. A three-day Orientation program has been inaugurated for freshmen, student advisory schedules have been arranged. Under the direction of Dr. Bruce Morgan, the development of student citizenship service has been planned to include assistance and direction where it is desired to graduates during their first year of teaching, the assistance to successful graduates already in the field in securing better positions, the organization of stronger and more active alumni associations to keep in touch with the college and promote its interests.

S. I. N. U. was the first teachers' college to introduce rural practice teaching, and now arrangements have been made for extra rural services. The agriculture and social science departments have been enlarged, arrangement has been made for extension work here with the University of Illinois, Champaign. Civil engineering has been established under the direction of Dr. W. A. Thalman, which are of service to students, alumni, all people of Illinois. Leading psychologists have been invited from important cities to cooperate fully, noticeably by the maintenance of the finest student governing body in the state, and by the enthusiastic return of school spirit.

However, the fact that school spirit is so abundant at S. I. N. U. does not mean that Southern is so complete that she does not need additions. It is obvious that with the greatly increased enrollment, the buildings at Southern are more overtaxed than they have ever been. The result of the immense gain in students is also overtaxed faculty members. The need for new buildings and new teachers is easily recognizable.

Most outstanding need for S. I. N. U. is the establishment of a new training school, which would include all grades, including high school. At the present time, high school students are using rooms which might well be utilized for S. I. N. U. students. The playground of the Allen Training School is not only inadequate, it is dangerously situated. There are rooms in use on the campus which would not pass the state requirements, were they put to the test of capacity, lighting, etc. Also buildings might be taken over and put to use by S. I. N. U. students. Perhaps a part of it might be given over to the music department, which now is inadequately housed in scattered rooms in varied buildings. Rooms might be provided for preparations of such organizations as the U. S. Navy Band, which appeared here last Wednesday, or for the 700 musicians who will arrive tomorrow morning to maneuver at the afternoon football game. The available space could be quickly utilized by any number of S. I. N. U. departments.

The next most outstanding need is a new building, a combination museum-library. The present library is far too much overtaxed and overcrowded. The museum is shoved off into an inadequate corner. A combination building would be the solution to both problems.

A housing problem does exist at Southern. This year eighty-five girls were sent away from Anthony Hall alone because of lack of space. More cooperative houses, such as Harwood Hall and the N. Y. A. house might be introduced on the campus. Anthony Hall is badly in need of an apartment building, and a general cleaning and redecorating of boys' dormitory is certainly needed; another girls' dormitory could be easily filled.

In order to build, of course, more ground would be necessary, eventually; plans have been discussed for a new campus north of the present one.

Another need of S. I. N. U. is for a swimming pool, which, with the addition of a golf course, would make possible a major in the physical education field for which so many S. I. N. U. students transfer to the U. of I.

Another building long-needed at Southern is a socio-religious building, to house student social and religious activities, recreation activities for spare time, a cafeteria, the college book store, and perhaps other services.

S. I. N. U. needs more provision for graduate work, more N. Y. A. appropriations, more opportunity. It has long been the fact that Southern receives more money in appropriations per capita than any of the other Illinois State Teachers' Colleges, despite the fact that Southern is the largest of them, the most rapidly growing.

The appearance of the new school spirit, the return of the old, to S. I. N. U. is indicative—Southern states are proud of their school—they will work in its behalf. Southern is growing; we want a chance to make it more and more outstanding, bigger and better.

**FACULTY MEMBERS  
ATTEND PRESENTATION  
OF PINS AND NEEDLES**

Enacted by Lady  
Garment Workers  
Union; A Satire

A number of faculty members from this school attended the annual "Pins and Needles" in St. Louis last Saturday afternoon and evening. The production was sponsored by the International Lady Garment Workers' Union, and has enjoyed a two-year run on Broadway in New York. The play is a satire on the capitalist profit system, and spectators report that the cast, which is composed not of actors, but of former garment factory workers, delivered a splendid performance.

"The success of 'Pins and Needles' has been an unusual story in a dramatic sense. In 1934 the International Lady Garment Workers' Union organized a society for entertainment and amusement of its own members, which was to play for the recreation derived. The union rented its own theatre and chose its cast from workers in the factory and members of the union. However, when 'Pins and Needles' was produced, it met with such a genuine success that it has played for two seasons on Broadway and the original cast is touring the United States.

The Rural Life Club on this campus is to be represented by Earl Dawes, Ruby Price, and Carroll Turner at the American Country Life National Conference to be held November 2-4 at the University of Kentucky at Lexington. The students will be accompanied by the faculty sponsor, Mr. Troy L. Stearns.

The theme of the National Conference is the improvement of our rural civilization. On Saturday after the conference is over, the party plans to visit the T. V. A. project before returning to S. I. N. U.

## DUNBAR QUEEN CANDIDATES ARE ALL CONFIDENT

### Calendar of Homecoming Events Sets New Record

By "THE DUNBAR."

Dunbar Calendar.

It is with no small degree of pleasure that the Dunbar Literary Society of Southern Illinois State Normal University announced its contribution to Southern's Homecoming festivities.

Thursday, October 27, 8 p. m.—The Merry Makers (S. I. N. U. Dunbar Co-ed group) informal dance at the College Inn.

Friday afternoon, October 28, 4 p. m.—The Sigma Gamma Rho Sorority Tea, Mrs. Thomas Edwards' residence, East Oak street.

Saturday evening, October 29, 4 p. m.—The Alpha Phi Alpha Pledge card reception, Mrs. Daisy Sykes' residence, South Illinois.

Saturday evening, at 9 o'clock, the tunes of Eddie Johnson's radio and recording artists will herald the beginning of, if advance indications prove true, the greatest of all Dunbar's Homecoming dances.

10 p. m.—Presentation of the Society's officers.

11 p. m.—Crowning of Dunbar's Queen.

**DUNBAR QUEEN?**

Who will reign over S. I. N. U.'s Dunbar group as queen for the 1938-1939 school year? Your guess is as good as mine. The three candidates who survived the bitterly fought battle for nomination are amazingly self-confident in predicting their own victory on the night of the Homecoming dance. When your scribe interviewed the contestants, here are the answers he received to his inquiry of: What are your chances for winning the crown?

Rita Owens, Du Quoin—"For be it from me to brag but do you think the crown will fall?"

Elizabeth Arnett, Carbondale—"Do you think that it is possible for me to win again next year (she means)?"

Evelyn Davis, East St. Louis—"If I only knew the color of the crown I could pick my dress."

Well, I guess from the above, you think that Dunbar will have three queens. Oh yeah! One will be queen, and only one.

## FRESHMEN DEMAND GREATER MANIFESTATION OF SCHOOL SPIRIT

By MARJORIE JONES.

In talking to various freshmen on the campus (and incidentally these freshmen compose half the student body here this year) we find that they are completely dissatisfied with the school spirit.

Over half the freshmen this year came from average size high schools where athletics and school spirit played a major part in school life. They are accustomed to going to football games and really rooting for the team.

To give you an idea of how some of our freshmen feel here are some of the statements we got from them:

"Why don't we have more pep sessions to acquaint the new students with the school songs and yells and work up more enthusiasm in the whole student body?"

"You can't yell if you don't know the yells!"

"Why isn't there a cheerion section at all home games?"

That, unfortunately, is just how the freshmen feel so this week-end being Homecoming why not all come out and show the freshmen your school spirit?

Ruth Williams, '39, teaches in Maywood, a Chicago suburb, in the Garfield Grammar School, which has an enrollment of 1000 students.

Wendell Whitlock, '41, and Glenn Seyforth are putting themselves through school on the returns from the butter and egg business.

## George Kaufman's 'First Lady' Will Be Presented Here Tonight With a Feature Cast; Huge Crowd Expected

Opening S. I. N. U.'s greatest celebration of its kind, the 1938 Homecoming play, "First Lady," is a situation of the presidential candidate and how the leading politicians in the nation's capital become involved in a riotously funny story played against a background rich with political history.

Both cast and technical staff have made the most careful preparations to give this year's Homecoming audience their finest show to date.

Set against a novel background created by Head Technician, Robert Chammess, and Assistant Scene Artist, John Garrison, the George Kaufman hit gives ample opportunity to veteran actors Fred Meyer, Eva Mitchell, Roy Stallings, Eddie Mitchell, Mary Helzlsouer, James Cash, and others. Alumni will be pleased, too, with the number of talented newcomers making their initial appearance in a variety production.

"First Lady" is a comedy of manners with political overtones. The plot centers around the feud between two of Washington society's most powerful malrons who use "all holds and show no quarter" in their leisure struggle for the position of "First Lady of the land."

Irene Hibbard (Roy Stallings), wife of Supreme Court Justice (Eddie Mitchell) incurred the undying hatred of Lucy Chase Wayne (Eva Jane Milligan), wife of the Secretary of State (Fred Meyer) when she "stole" the latter's cook some years before. This episode leads to complications on a national scale when Lucy, to discourage Irene's interest in a promising young senator (Robert Link), lets a false rumor be circulated that the party is considering Hibbard for the presidency. Irene, of course, immediately returns to the family hearth to "stick with her husband in his hour of need." The rumor gets beyond Lucy's control and threatens to become an actuality, being in effect a bombarding for the Secretary of putting himself in the running for the candidacy. Realizing that she would be responsible for thwarting her own husband and losing for herself the position of "First Lady," Lucy frantically tries to repair the damage she has done. How both women contrive to control the nomination of the presidential candidate and how the leading politicians in the nation's capital become involved is told in a riotously funny story played against a background rich with political history.

Both cast and technical staff have made the most careful preparations to give this year's Homecoming audience their finest show to date.

## U. HIGH SCHOOL TO HOLD SKATING PARTY TONIGHT

A skating party will be sponsored by the University High School students tonight from 9 to 12 o'clock. Tickets may be bought at the rink.

A novelty skating contest will be held and small prizes awarded to the best couple skating and to the best individual skater. Skaters are invited. The admission price is 20 cents.

Skating parties are sponsored by the U. High School each Wednesday from 3:00 to 6:00. Twenty-five cents admission is charged. This includes a bottle of pop, grand marches and tag are always featured.

**SOCRATIC SOCIETY TO GIVE PROGRAM AND TEA DANCE**

Society is Aiding In Sale Of Homecoming Pennants

The Socratic Literary Society is selling banners and tickets to the Homecoming dance, with the idea of returning all profits made on the banners to the stadium fund.

Five hundred letters to Socratic alumni have been sent out containing invitations to the Homecoming activities. Among the activities to be sponsored by the Socratic Society is a program on Saturday morning at 9:00 in the Little Theatre Auditorium, and a tea dance at Anthony Hall after the football game that afternoon. Some of the girls of the society are to act as hostesses.

Gaylord Whitlock, Socratic president, has had charge of the ticket sales of the organization.

**EPHEBIC OATH MAIN FEATURE OF BONFIRE**

Whitlock to Conduct Pep Session; Board To Lead Color

During the past years, a pep session of the Socratic Society has been held in the Little Theatre. This year's pep session will be held in the Little Theatre on Friday evening, October 28, at 8:00 p. m. The pep session will be conducted by Gaylord Whitlock, Socratic president, and the board of the Socratic Society. The pep session will be followed by a bonfire on the football field. The bonfire will be lighted at 10:00 p. m. The bonfire will be a great success and will be a great help to the stadium fund.

Immediately following the Homecoming play, while students, alumni and friends of the college are gathering in the north end of the old football field, all freshmen are to meet as a group outside of the entrance to the college bookstore. They will then go to the old football field, where they will light a small fire near the entrance gate. As they pass this fire, each member of the class will burn his green tunic, which he has worn during the past week. They will then join in taking the Epebic oath of loyalty to the college which will be administered by President Rescoe Pulliam.

The administration of the oath is intended to be a solemn and dignified event, and during the time which this ceremony is being performed the entire crowd will be asked to lend complete silence to the occasion. The big bonfire will be lighted at about 10:30 P. M.

These events will occupy the first few minutes and the rest of the activities will consist of a huge pep rally as a forerunner to the Homecoming football game.

Yell King Whitlock has made plans which include speeches by Coaches McAndrew, Martin, and Little, football Co-Captains Cade and McGuffee, representatives of the alumni, and the "V" club.

The college band will play for the singing of the school songs and school yells will be led by the Yell King and such experts of the past as "State" Valentine and others.

The general arrangements for the bonfire have been made by Charles Purdee, Jr., who is chairman of a sub-committee of the Student Homecoming committee. All students are urged to attend the bonfire and to bring their friends.

**HOUSE DECORATIONS TO BE JUDGED FRIDAY NIGHT**

Traveling Cup To Be Awarded for first prize

Awards for the annual house decorations contest will be presented to the winning houses Saturday afternoon between the third and fourth quarters of the Homecoming football game. The prizes this year will be traveling cups. One cup will be presented to the winning independent house and one to the organized house which has the best decoration in the opinion of the judges.

The judging committee is to be headed by Miss Ruby Van Trump, and the houses are to be judged on Friday evening. The maximum amount an independent house may spend for decorating is \$5.00, and for an organized house \$10.00.

The idea of a traveling cup is new and unique this year. Any house, in order to gain permanent possession of the cup must win three legs of it. Until one house wins the cup three years the trophy will continue to be awarded each year. If the same house deserves permanent possession by winning three legs of the cup, it will be replaced with a new one.

**S. I. N. U. Students To Take Naval Aviation Training**

Russell Borne, Jack Wilson, Frank Green To Go To Florida

Three members of the senior class, Russell Borne of Cartersville, Jack Wilson of Hurst-Bush, and Frank Green of St. Louis, have been selected by the Navy department to take Naval Aviation training at the Naval Aviation Institute at Pensacola, Florida. They expect to begin training next June, upon completion of their college courses.

These three boys hope to successfully pursue the same training in which three former S. I. T. C. students are now engaged. They are Cadet Graydon Weber of Marion, and Cadet Francis Greco of Christopher, who entered last July and September, respectively, and Cadet Max Moden of Christopher, who entered two years ago and is now on active sea duty with the Pacific Air Fleet, stationed at Pearl Harbor, Honolulu.

**Cagle and Smith at Work on Research Problem**

Mr. Fred Cagle and Philip Smith, in director and custodian of the Police Museum, are now at work on a research problem on the box turtle of Southern Illinois, trying to show the extent and type of variation within the box turtle, Terrapene carolina. It is thought, because of the already noted differences between various specimens examined that a different subspecies will be found. They hope to bring out differences by collecting several hundred specimens and making a study of the morphological details of them.

Up to the present time, the systematics of the box turtle have been incomplete and the life history comparatively unknown. The problem which Mr. Cagle and Mr. Smith are attempting is basic and must be completed before additional systematic work can be done on the box turtle. This bit of research they have to complete by the end of the current school year and it occupies much of their spare time as they work toward that goal.

The publication of such a paper, when it is finished, will constitute the second in a series of contributions to science on the systematics of reptiles and amphibians of Southern Illinois.

Specimens and other materials will be kept at the S. I. N. U. Museum as a source of reference for these individuals who are interested in pursuing further the study of the box turtle.

THE EGYPTIAN

S.I.N.U. DEFEATED  
AT MACOMB  
SATURDAYMaroons Vanquished  
19-0 in Macomb  
Homecoming Tilt

Co. Southern was forced to give up the idea of spoiling Western's homecoming at Macomb last Saturday and were sent away with a 19-0 defeat.

A fast game was played on a cold, windswept field and they were decidedly off form throughout the first half. The last minute of the third period when they made their third scoring bid.

Trailing at the end of the half, Coach McAndrew's eleven returned to the field determined to pull the game out of the fire. They held the Leathernecks to a mid-field battle for fourteen minutes of the quarter. Then, taking the ball on their own 19 yard line after a punt, Southern started a 45 yard march toward the Macomb goal.

P. Frazier, who returned last week after a short layoff because of a shoulder injury, carried left and to the four yards and drove through right tackle, for twelve yards and a first down. Wolfenbarger added three on a sneak through center and Frazier passed ten yards to Clifford for another first down. Two more attempts on line plays produced eight yards.

An exchange of punts gave Carbondale the ball in enemy territory. On the first down, promising freshman backfield man, Frazier, a 13 yard punt to Co-captain Cade, who continued on to the 20 before being tackled. With the possibility of a victory looming up Southern sent another pass zooming toward the goal. Stewart's snappy quarterback, came up fast, however, to intercept the ball and run 50 yards for his team's second score.

The Leathernecks' first touchdown came late in the second period on a pass from Stewart to Hughes, the senior quarterback, who took a hole in the end zone. Kraushaar placed kicked for the extra point after the score which resulted from the interception in the third quarter. Five minutes before the close of the game Frazier roared through the hole in the right side of his line for the final tally.

Though football enthusiasts find little in a defeat to be optimistic about, several of the Maroons turned in performances worthy of a prize. The passing nation, J. T. English, sophomore letterman from Anna kept up his sparkling performance at left end and stands a chance of being one of Southern's "big guns" in the Homecoming game with Western.

Another player, who is a hard hitter, always a driving blocker, played a backup defensive game at the fullback position particularly in the first half when Western made considerable yardage from line plays. When the game was over, Frazier returned to the starting lineup after a week's layoff and proved to be Coach McAndrew's most consistent ground gainer.

Two freshmen, Max Lewis of Carbondale, round out the honor roll. Lewis made his debut as center in the opening combination and showed that he is not a candidate at present for the "glass flat" by playing a fully sixty minutes in the line. His work at the pivot point was a fast improviser and he is the favorite to start against Normal in the center of the Maroons' line. Thomas was stationed at the quarterback post and did a commendable job at calling signals. A leg, however, may hinder his top-notch play for some time.

## 1938 S. I. N. U. Football Squad That Will Dedicate the New Stadium on October 29

HOMECOMING  
HOCKEY GAME  
TOMORROWVarsity and Alumnae  
Will Meet at 10:15 A.  
M.; No Adm. Charge

The highlight of the W. A. A. Homecoming activities will be the annual varsity-alumnae hockey game Saturday morning at 10:15. The game will be played on the old football field, and there will be no admittance charge.

Miss Marjorie Van Bibber, hockey manager, has announced the lineups for the varsity team. The various positions in the forward line will be filled by Getzie, Wiesman, Van Bibber, Dornier, Swanson, Foehr, Viller, Johnson, Mitchell, and Anderson. Halfbacks are Bynum, Sutton, Head, Mercer, Cooper and Freese, and the backfield will be made up of Mills, Redmond, Evans and Wise.

Several outstanding alumnae hockey players are returning for the game. Among them are Janette Spaulding, who was the star of last year's game, Bert Hamilton, Christine Collier, Virginia Huebel, Irene Clark, Alma Dodds, Susan Grant, Henrietta Phil, Kathleen Dufresne, Ed, and Florence Mohlenbrock.

## SPORTS EDITORIALS

By Gene Rogers.

Homecoming is definitely upon us again! And in the sporting classic of the week-end Southern, led by their determined Captains Harland Cade and Kenny McGuire, will defend the honor of S. I. N. U. against the invasion of the upstart "Old Normal" eleven. As Assistant Coach "Abie" Martin has remarked, our paper we are the under dogs, but psychologically speaking, it would not be a great upset if Coach McAndrew and his eleven should come through to make possible a better Homecoming. The aim of every college. An important factor in bringing about such a state of mind, it seems, has been the formation of the Southern Knights, the planning for the promotion of activities as the parade this morning, the bonfire and freshman coronation. We thought and the arousing of school spirit and general enthusiasm of the student body. TOO BAD WE CAN'T HAVE THE TRUE HOMECOMING SPIRIT THIS YEAR AROUND.

This week-end will be one that will be long remembered in the history of Southern. Of primary importance in that regard will be the dedication of the new stadium which has long been the dream of Captain McAndrew.

In addition, through the efforts of the Southern Knights, a symbol for the college will be unveiled and presented at the football game. The symbol is of permanent structure, we hear, and will be set up somewhere on the campus after the celebrations.

The press box at the top of the stadium will be a veritable beehive of activity tomorrow. Besides the regular staff of reporters, there will

Co-Captains, Harland Cade And  
Kenneth McGuire, Lead Maroons

Southern Homecomers will have the opportunity tomorrow afternoon to see two of the standard local athletes of the present college generation perform. Co-captains Harland Cade and Kenneth McGuire have compiled excellent records despite adversities which have beset them. Rising from Hope-ton, Illinois, the two have had similar athletic careers at Southern.

A thorough going student of the game—the steady plugging type of leader—a man capable of holding down his end of the line and at the same time aiding the less experienced men of the eleven—Harland Cade, a six foot, 160 pound end, played considerably during his freshman year in 1935, but failed to earn a letter. The following season, however, he stepped into a gap created by the graduation of two regular ends of the previous year and proceeded to win statewide recognition as a defensive and blocking star. He missed several games due to injuries, but so recognized was his knowledge of the game that he acted as scout at several opponents' games.

Last fall Cade was injured in the season's first game and saw but little action from then on. He was so respected by his teammates that his fall he was elected to the co-captaincy of the 1938 eleven. Fortunately, Cade has been able to play through the games this year without having his activity curtailed by injury.

Never a star—his presence is at fundamentals—a gurgling leader but a quiet, unassuming man off the field—Kenneth McGuire, a sophomore, was one of the first to be selected to the team.

McGuire, like Cade, saw a lot of action as a freshman halfback, but was not awarded a monogram. In the fall of 1935 John Mondan, a quiet, unassuming man off the field—Kenneth McGuire, a sophomore, was one of the first to be selected to the team.

McGuire, like Cade, saw a lot of action as a freshman halfback, but was not awarded a monogram. In the fall of 1935 John Mondan, a quiet, unassuming man off the field—Kenneth McGuire, a sophomore, was one of the first to be selected to the team.

## INTRAMURAL BASEBALL

By IKE SCHAFFER.

John Coffman's Wildcats, Barro Babbit's Bartonians and Dr. C. H. Craber's Spirits were declared eligible to participate in the play-off for the championship of the Fall Intramural Baseball League.

On Monday afternoon the Wildcats secured a foothold on the title by defeating the Bartonians, 3-0. It was a well-played game, only three errors being committed—two by the Bartonians and one by the Wildcats. Mayo, on the mound for the Wildcats, gave the Bartonians only four hits; and Hicks, hurling for the Bartonians, gave up only five hits.

An interesting feature of the pitching was that nine players represented the nine hits. Managers Coffman and Babbit did the catching for their respective teams.

Tuesday afternoon the Spirits lost their first game of the season since January. Craber took over after the catching yesterday. With Mayo, Babbit tossed five hit ball, the Bartonians took out a 4-3 decision over the Spirit nine. The Spirits committed only one error behind the seven hits of McGeigh and Fligor, while the Bartonians committed two errors.

Watch next week's issue for final data and statistics of the Fall Intramural Baseball League for 1938.

Southern Has Won Twelve of Her  
Sixteen Homecoming Games

By IKE SCHAFFER.

Statistics show that the Maroons have generally played their best football of the season before a Homecoming through Naturally, we hope that this year's team will not prove to be an exception.

These have been sixteen previous Homecoming tilts played at S. I. N. U. and the Maroons have lost only four of these contests. It is to be expected that out of sixteen games played some to score would last year's team would have lost.

Homecoming games have been no decision affairs. In fact, the first Homecoming game against Cape resulted in a 0-0 tie. The remaining nine games played for the championship of Homecoming have resulted to the S. I. N. U. supporters' favor. The Maroon and White boys have entered victorious in these contests.

After Saturday's encounter it is hoped that the Homecoming results which will be eliminated will leave the Maroons in a better position than they were in before the game.

Results of Homecoming encounter:

1938—Carbondale 15, Carbondale 0—lost.

1939—Cape 0, Carbondale 7—won.

1940—Old Normal 0, Carbondale 29—won.

1941—DeKalb 0, Carbondale 7—won.

1942—Carbondale 0, Carbondale 25—won.

1943—Shurtlett 0, Carbondale 2—won.

1944—Carbondale 6, Carbondale 13—won.

1945—DeKalb 28, Carbondale 0—lost.

1946—McKendree 0, Carbondale 13—won.

1947—Macomb 16, Carbondale 0—lost.

Strong; Southern's  
Injured List Recovered

When the Maroon warriors take the field tomorrow afternoon at two o'clock, not only will they be dedicating their new stadium before a Homecoming crowd of approximately ten thousand persons, but they will be meeting their old rivals from Bloomington, Illinois Normal State University, for the tenth consecutive year. Of the nine encounters, Normal has won five to Southern's four. The distribution of these victories is shown by the table below:

Year	Southern	Normal
1929	0	6
1930	3	0
1931	0	12
1932	0	36
1933	0	14
1934	14	6
1935	0	13
1936	6	0
1937	6	13
1938	2	2

This year Normal is reputed to have three teams of equal strength, all of them being equal to or better than any team that they have had in recent years. In former years Normal, playing a short punt formation, had been weak on their passing offense, but this year they have in their backfield a certain Mr. Gleason, who last year attended St. Viator College, a new defense instructor. Mr. Gleason, furthermore, is death on passing passes where they do the most good, namely, in the hands of the ends. All of which is something for the Southern grid mentors to think about.

On the mound, Normal is effective, as is any team that can play the razzle-dazzle game. It is a well known fact among gridiron experts that no team can play flashy football without a good deal to back it up and make it effective. And so it is with Old Normal. According to the grapevine telegraph, they are particularly good over tackle and around end. But so is any ball club that is winning games in modern football.

The home team has had a great deal of bad luck this year in the matter of injuries. Last week both McMillan and Neal, backs of great promise, were left in hospitals on the way home from the game with Macomb. Both boys are suffering from streptococcus infections, and it is doubtful if either will be able to play Saturday. In spite of all the ill-fortune that the boys are suffering, they are not offering any alibi in case of defeat on Saturday.

If the boys can bottle up Mr. Gleason, mentioned above, and stop those off-balance thrusts and end runs, Southern has a good chance to come out on top of the heap. In any event, it will be a fine ball game between two evenly-matched teams, and it is every Southern's wish that the best team wins.

### BOY SCOUTS OF AREA WITNESS S. I. N. U. VICTORY OVER AGGIES

Approximately three hundred Boy Scouts from all over Southern Illinois attended the Southern-Arkansas game Oct. 15 at the guests of S. I. N. U. Most of the boys were in uniform. Carrying flags and banners, they entered the Stadium according to their various troops. Among the troops were a large delegation from both Cairo and DuQuoin besides numerous smaller groups.

### Gym Team To Have Banquet; Illinois, Minnesota, and Nebraska Request To Meet Southern Gymnasts Again

By LLOYD MITCHELL.

The gym team will join the Homecoming festivities with its banquet Saturday at the Baptist Annex at approximately 11:30 A. M.

Many of the alumni will attend this dinner, the first of its kind to be sponsored by the gym team. In addition to the meal, the pictures of the last year's gym team will be shown. These pictures will be of very great importance to the freshmen as it will give them an idea of the task that is ahead of them.

The gym team should be in full trim by the winter term. The addition of several football men, such as Groves, Randle, Stumph and McGuire, will strengthen the team considerably. All of these men are letter winners.

Several lettermen have already reported for practice and are working vigorously. Included are: Falk and Davis, tumbling and parallel bars; Scanlin, high bar, tumbling and parallel bars; Covington, horse and rings; Black, horse, rings and high bar; and Roberts, high bar and horse.

Captain Buratt Falk is Southern's number one man of the mat. Last year he ranked next to Vernon Hicks, who is by far the best tumbler ever to graduate here. Captain Falk has been in there pitching. At present, he is helping Harold Black, last year's captain, in coaching the team in the absence of our excellent coach, Mr. Vincent DiGiovanna. Bernie has lost no time in perfecting himself and will bring home many points this year.

The prospects of the team look brighter with experienced lettermen, such as Washington, Ziegler, Fred, Hense and Hiedinger, showing their abilities. However, the scene darkens with lettermen Green and Becker leaving school at the close of the winter term. Bishop, who hurt his knee last year when he did a double-dive away from the rings, is still under the jinx of old knee injury.

There is a possibility of six freshmen winning berths on the varsity this year. They are: Pyle, Pincineville, tumbling, parallel and high bar; Zaack and Zink, both of Centralia, parallels and tumbling; Vonastine, East St. Louis, parallels and tumbling; Robinson, Anna, high bar and tumbling; and Dixon, Mt. Vernon, rings.

Acting Coach Black has been corresponding with many high schools in Egypt. The gym team exhibitions are proving to be outstanding. The final schedule of these exhibitions have not as yet been completed.

Also Black has received letters from the University of Minnesota, the University of Illinois, the University of Nebraska, and Turner Normal of Indianapolis asking for information concerning meets for the coming season. He has written to Washington University of St. Louis, St. Louis University, Concordia University of St. Louis, and Principia of Elmhurst, Ill.

The U. of I. would like to return to Southern for another triangular meet as we held here last year with Southern, Illinois and Minnesota. Price and Piper, coaches of Illinois and Minnesota, respectively, are very much in favor of another such contest. They stated that the crowd here was the largest for which they had performed. If the University of Illinois returns to Southern they will have, again this year, Joe Dial, Lombardo, the champion Olympic tumbler. Turner Normal would like to have a triangular meet here and at Indianapolis. Turner is a regular gymnastics school. Another postal

### 'Abe' Martin Returns To S. I. N. U. To Help Coach The Maroons

By WILBUR RICE.

1939, and also chosen as half back on the All-Conference team.

Although Assistant Football Coach Glenn Martin is no stranger to many returning Alumni, and no stranger to the S. I. N. U. campus, he came here this fall to serve his first year as football mentor at Southern, and in that capacity has made himself popular as well as valuable to the school once more.

The vacancy which "Abe" fills was created by the leave of absence given Vincent DiGiovanna. The school feels fortunate in securing a man, not only familiar with the school, but also an experienced and widely known football man.

Martin started his football career at Fairfield High School, where he starred for two years. McKendree college of Lebanon saw him, and he persuaded him to come there after graduation from high school in 1936. He won his letter at McKendree and then came to Southern to play three more years of college football. He was co-captain of the Maroons in 1937.

It is that a triangular or quadrangular meet will be held in St. Louis between Southern and the colleges of that city.

No correspondence has as yet been completed. However, Southern will have the best team and largest schedule in the history of the team.

In an attempt to set a precedent for other campus organizations, the Socratic Literary Society has voted unanimously to contribute all its Homecoming pennant profits to the S. I. N. U. stadium fund.

**AMERICA CAN LEARN FROM SWEDEN ACCORDING TO WILFRID HUSBAND**

**'Let's Stay Out of War for 124 Years,' Says Noted Lecturer**

By HALBERT GULLEY.

In a highly interesting lecture and motion picture representation of "Sweden: Where Human Values Count," Wilfrid Laurier Husband discussed the success of the Swedish democratic movement in this Scandinavian country before an audience of 2000 last Monday morning at Sherrock Auditorium. Mr. Husband's subject was made more vivid by the cooperation of his wife, who appeared in a native costume of a Swedish village, and by excellent color motion pictures of its people.

Mr. Husband pointed out many of the achievements of Sweden which are perhaps to be envied in this country. The fundamental philosophy of government there is that good national government cannot be achieved without good state government; that the right kind of state government is impossible without clean local government; and that local government depends upon the integrity of the individual citizen.

Besides this, the famous traveler and lecturer stressed that adult education is as important through study circles in Sweden as is secondary and college education in our nation. These study circles are composed of adults who desire to learn. The four principal subjects preferred are popular government, political science, economics, and parliamentary procedure.

Mr. Husband also contrasted Sweden with the United States in the amount of unemployment. In that country there are 25,000 out of work, or less than 1% per cent of the total population; here we have 12,000,000 unemployed, making 8 per cent of our population. However, Sweden's industrial production is 12 per cent above their 1939 level. Monopolies have been curbed by consumer's co-operatives and a managed-currency. The standard of living, when measured in terms of real wages with reduced living costs, is very high. Sweden has practically eliminated slums and has reduced medical costs. Venereal diseases have almost entirely been eradicated. Mr. Husband closed by stating that Sweden has remained out of war for 124 years, and it would be desirable if the United States could do as well.

**FIRST S. I. N. U. HOMECOMING HELD NOV. 11, 1922**

Cape-Southern Game Ended In 0-0 Tie

While looking over the 1922 copies of the Egyptian, we found that the first Homecoming of S. I. N. U. was held on November 11, Armistice day, in 1922. All students who were ex-servicemen were asked to wear their uniforms. A large meeting celebrating both Homecoming and Armistice day was held with the Hon. Walter W. Williams as speaker. Williams was a student here in the early 1920's. After graduating he rose to high political standing in the state, being a representative to the state legislature at the time.

The football game was with Cape Girardeau. The score at the end of four hard fought quarters was 0 to 0. On the team at that time were such noted alumni as Captain Gilbert "Red" Carson, Tom Entenmacher, Marvin Hamilton, Leo Gardner, Louis Clark, and others.

The '38 Homecoming is the 17th in the long line of annual celebrations and is going to be 17 times as good as number one. Everybody is pulling to make it the most outstanding Homecoming known in the history of our school.

**COMMERCE CLUB TO SPONSOR ALUMNI BREAKFAST**

The Commerce club held a Hallows-eve top in place of its regular meeting on Thursday night, October 20. Music was furnished by a Virtuoso, and there was a large attendance of students. No business meeting was held, but an announcement was made over the public address system to impress upon the members of the Chamber of Commerce that they should attend the Commerce Club breakfast to be held Saturday morning of Homecoming. The breakfast is scheduled for 8:00 at Hank's place downtown. It is being sponsored by the club under the direction of Mr. T. L. Bryant.

**'BARTERED BRIDE' TO BE GIVEN DECEMBER 8**

The date for "The Bartered Bride," an operatic production to be given by the music department, has been changed and the opera will be given on Thursday, December 8, instead of November 17, as previously announced.

A few changes have also been made in the cast as follows: Eddie Melvin will replace John Pratt in the role of Jenik; the part of Luliska will be played by Elaine McCoy instead of Helen Russell; Russell Harrison will take the part of Vasek in the place of Carl McIntyre, and the role of Kralovich will be taken by Dave Allen.

The names of the chorus members will be released at a later date.

**DRAKE CONGRESS HOTELS DEMAND JIMMY DORSEY**

**Famous Maestro Will Lead His Band Here, Tomorrow Night**

Jimmy Dorsey, who will play for the Homecoming dance tomorrow night, and whose band was heard

with Bing Crosby on the Kist Music Hall radio program every Thursday for two years, followed by an engagement at the Bon-Air Country club, now has his choice of the Drake or the Congress in Chicago. In either case Jimmy's band will probably make the most popular spot in the Loop this season, more especially if reports from the Bon-Air Country Club are half true. The younger Dorsey brother spent the summer there in such a consistently fine program that his stock has risen high among the North Shore swing addicts. Jimmy is regarded by musicians as one of the outstanding clarinet and saxophone players in America, and his orchestra will play for the largest Homecoming dance in the history of Southern Illinois Teachers' College on Oct. 22, in the gymnasium.

**SEASTROM LECTURES TO U-HIGH CLASS ON CONSERVATION**

The geography department of the college is host today to Mr. Paul Seastrom, head of the Forestry Division of the Department of Conservation at Springfield, with headquarters at Benton. Mr. Seastrom takes care of all the forestry work which is carried on south of Springfield.

Mr. Seastrom, a graduate of the University of Minnesota, will lecture and show three films on conservation in the high school conservation class, 2nd hour, and the college conservation class, 6th hour. His lecture will be about how the forestry division of the Department of Conservation is influencing reforestation in Illinois.

He is being taken by Dave Allen.

The names of the chorus members will be released at a later date.

**Homecomers Receive Greetings From Honolulu, Hawaii; Writer Recalls First S. I. N. U. Homecoming**

By IKE SCHAFFER.

COMING ideas to the late Prof. Feltz, through the cooperation of the student body, the school officials, and the EGYPTIAN, the annual HOMECOMING tradition was inaugurated in that year. True, the HOMECOMING that year was rather weak but from that small beginning the HOMECOMING celebration has taken root and continued to grow, year by year, until it has reached its present dignity.

Prof. Feltz headed the HOMECOMING COMMITTEE for several years and Mr. Sherretz was in evidence each Fall until he went to the Islands in 1920. His last visit to S. I. N. U. was in the summer of 1936.

At the present time Mr. Sherretz is Personnel Officer in the Honolulu Police Department and lectures in the school of police administration at the University of Hawaii.

We hope that the next sixteen years will see as much growth in the S. I. N. U. HOMECOMING as have the initial sixteen years, and with the steady growth of the school and the greater number of Alumni members, bigger and better HOMECOMINGS are inevitable.

Signed,  
Aloha Nui Loa,  
D. Ransom Sherretz.

Although Mr. Sherretz is far removed from the S. I. N. U. campus at the present time, he is closely associated with S. I. N. U. HOMECOMINGS. It was while he was editor of the Egyptian in the Fall of 1922 that he suggested the HOME

he supervision of Mr. Tracy L. Bryant, of the Commerce department, at a picnic at Giant City Park Friday afternoon, October 21. The outing was well attended and the group enjoyed dancing at the lodge, as well as the picnic.
